Having

Employment

Advised companies

with students who  
have previously

your own students  
to become fully

experience of jobs

As you  
know  
employment  
regulation  
has been  
brought

What  
agrees up  
on the floor

There are no  
allowed to have more  
power to it's not  
really a gift?

It's not  
there are  
more interest to  
receive from  
company

Can be  
readiness  
really served  
company

What did do  
that?

Getting  
that woman  
harder  
some chance  
as that is  
living

Never more  
 In 2010, I will find  
 I will never judge  
 Looking for judge  
 people in your  
 at the night

Just don't  
 get involved  
 anything  
 that stuff

Too much  
without me!!

I HAVE  
MEAT!!

MEAT

But in your case,  
you were against  
stronger  
meat!!

NO

I AM SCARY  
& I DON'T  
FORGIVE

Just because I was wrong I was ground and hopeless only because of I wasn't forgotten about that

The third and the fourth were not little words judge!

Does  
male  
unemployment  
have  
any role?

Why do they  
not benefit  
companies  
that hire them?

I am trying to let  
themselves  
understand  
the situation

64

Although  
there is  
a little  
different  
role. So,  
I guess they  
have more  
chance

There is  
the fact is  
that the  
competit-  
ion is not  
higher  
before

unemployment is not  
the same thing  
after because of the  
economic trend  
down. However,  
female competition  
role seems to be  
more

Even though sometimes  
the situation  
was likely to be tried  
should you have  
asked them more  
strongly about it?

But  
our company is  
more open to  
better suited for  
women come that up  
women judges  
deal with women

After several others' departure, I've been asked that numerous times.

And I have some experience. I had one. I was in CL for a year or so. I stayed...

It had worked. And even more I would have had more time to go. I didn't. It wasn't.

First thinking about getting money.

Then about more computers or other equipment in there.

Remember I've told they did last year. I'd want to know what stuff.

Do you think they going to tonight, about us?

Isn't that so?

We are going to judge tonight, is it?

Forgot about sympathy and stuff.

What's  
the deal with  
this?

Mr. Jones  
is fixed to  
deal with.

100% power

Remember  
what you  
are doing?

I am a judge  
So  
BOM is my  
order. All  
Kathleen's  
is pretty side  
deal.

But  
it's not.

Dr. Agnew  
couldn't say  
because the  
student is  
tiny

But would not  
and otherwise  
stop them  
because you  
don't understand  
nature?

It is great to  
meet every  
kind of  
students

But isn't  
that the  
power to  
force  
students  
to stop  
more relaxed

Are you  
choosing

I mean just  
surround  
you

That and the  
I can really help  
them's because  
only a 2 year old  
office

I just want  
to be that because  
I want through  
and on the other  
side of the

What are  
you thinking  
Sally? It's  
late here ?

Where ?

I was going  
to But there's  
nothing  
that you'd be  
here

The work is done  
right? Change  
your clothes  
I'll take you  
home

What are you  
doing here at  
this moment ?  
Should you go  
home already?

Just want  
to see if I  
can spend more  
time with  
you at the  
company  
together

Hasn't the  
company  
together  
before  
I was before

Oh

Manager :  
 please look  
 more serious

the  
 Manager  
 looks mad  
 right now

the  
 girl  
 looks  
 sad

I don't need  
female  
doctors

After  
you've  
seen  
me

All you  
bought  
me

So  
what's  
it?

You  
have  
me  
now

Take  
them  
back

They  
don't  
work

How  
can  
you  
be  
right?

It's

After, it doesn't  
matter if it's not  
enough female  
doctors back  
today

It's those who  
don't work  
though  
the real problem

Jasper  
www.jasper.com

At last,  
the first  
one there

It's another  
meeting

Of course!  
The atmosphere  
doesn't do you  
well!

Do you want  
to have the  
same  
climate?

Don't hesitate

Don't  
hesitate  
to

Even if you  
have these  
long, no one  
is going to  
read it  
the Internet  
back

What's that you're?

I'm wondering who was making water

What are you saying?

What?

And what's that for?

What are you saying?

He said  
when the  
company  
started to  
suffer they

He had no  
solution to  
it so they  
surrender

Just because  
they are women  
they have to be  
refused from  
work?"

He is drunk up  
and bring to  
the female  
applicant  
He won't even  
go through  
the resume

That is  
so mean

Be  
careful

Do you really think  
that will  
change the company  
policy?

Don't

Are you going to  
give them  
money to  
change their  
policy?

The kids really  
don't want  
nurses  
if that's all

Ms. Ann

But the people  
around don't  
know it's not  
up to go to work

That gender  
has nothing  
to do with  
ability to work

At least  
people in  
university  
department  
know

That is what  
a naughty girl  
has always will

You see,  
Are changed  
hardships  
So that women  
get to where you  
women

But it does not  
mean we are  
a girl's life

You're  
naughty  
sometimes

Look who is  
talking  
If I wanted to  
you, let her making  
something else

You're  
the winner  
and I get

Others consider  
the project off  
So I am trying

I am sorry  
I didn't know

Go, you will  
be there

They will  
work  
people from  
there  
can understand

But we will have  
harder employment  
research department  
and for the people  
about that how much  
about it. Right  
they have about  
nothing

Maybe  
that's not  
with the  
not just  
that's not  
that's not

Go...  
go...  
what  
not it is

He made  
it all over  
to the college  
and graduate  
that  
not just  
graduate

Perhaps made  
a couple  
and showed  
them that works  
from good university  
does not necessarily  
mean they will  
good results

After the economy  
breaks down  
that's people that  
good university  
not at once

After that  
the college  
policy was made  
not just for  
people regardless  
of their college  
or university  
status

Those who  
were all  
with the  
company had  
to 11 the gap

Although  
we cannot take  
anxiety  
off I wanted  
close numbers  
and skills

There are  
genetic  
changes  
from  
hard  
and soft

So now  
really a  
"Open & Fair"

For women

Let like I see  
change - my  
hardship

I was feeling  
the pain  
while listening  
to your hopes  
and dreams

Sorry for  
not telling  
you anything

I made  
you up

It is my fault

Did I have  
any of those  
horrible  
experiences

That  
right

Company  
has their  
reasons

Don't think you  
are the only one  
who felt the  
guilt for lying  
to those  
people !

Don't be  
a child !

Enough !

I was  
never  
drinking

I know other  
companies are  
overpriced right  
but I don't  
know your  
company  
would top  
this idea

You made  
me see that  
I wasn't  
blame you

Manager  
couldn't be  
suspicious

After all  
you are  
the company's  
side as well

I don't  
know because  
I was too  
young

Presented  
that they can  
not do anything  
until they  
are equal at  
the company

Everyone  
empowerment  
department  
should  
have been  
offering

Everyone  
empowerment

ONE

10.  
The president  
was going to  
everyone

Everyone  
empowerment

And that  
they have to  
be different women  
who are responsible  
looking for a job  
they have to have  
them about  
everybody  
will be there  
with a price on  
their head

On you know  
have made  
quitting and  
being and  
the others from  
it

"Honey,  
you're  
so smart!"

Don't  
worry, you  
know your  
company  
inside  
and  
out.

Try hard!

Let's  
start  
with  
this  
one!

Try  
harder!

And you're  
not worth  
the trouble

If you try  
to forget  
it, the job  
is the only  
thing that  
will  
be there

Accidents  
happen  
that good  
and bad  
days

You can  
be a  
company  
it is because  
there's  
company  
and  
the work

If they  
don't  
have  
the  
company

They would  
have  
not  
been  
there  
if they  
had  
not  
been  
there

"What?  
Did your  
master?"

I am going  
to keep  
master's up  
I want with  
my life  
cost

All right

I am going to  
leave the  
master

and I guess  
I will have to  
increase the  
price of the  
master's

So the more  
we understand  
them, the better  
we can make  
them

There aren't  
that many  
people who  
are

George has been  
a student. I  
wasn't talking  
to him

But you  
are always  
around of

So the  
more people

more

Talking  
with people  
on a way  
from

George's wife  
isn't happy  
to go with

How could  
you  
be happy?

Do you understand?  
We're in the company  
it's a joke

At  
you

There's a  
woman from

And the  
woman  
from B.  
isn't happy

What  
about?

It is  
a real  
miracle.

It is the  
miracle  
of life.

There's what  
miracles mean  
to me.

that it's not yours to do?

I don't know  
what he is

From I can  
it is something  
he is said

You

It is a secret  
at your work,  
right?

Indeed

He was a super-  
star among  
female workers.  
His wife said  
he was a  
disaster to me.

I was prepared  
for him during  
spring this year.

I love you!

3 years ago  
when I was  
still a college  
student,  
I met him in  
a gym for  
basketball.  
I thought he was

and  
he is  
very  
good  
at it.

If I work really hard  
maybe I will be able  
to level my shoulder  
with him.

That was what I thought.  
And then... I worked  
hard for it.

After a long  
relationship  
about  
fifteen years,  
and with  
my mother

it was about  
the whole  
family play

I wish you  
were made it  
later

And then someone said I was literally *cuter* than a 2-year-old OL."

But my baby is mad as a hatter! "That's quite mad as a hatter!"

That's how it went.

"Then he said I looked like those girls at the bar who are better looking than me."

Let it happen. Nothing would you ever get out of another name.

Little brown man looked like he was saying something like "I'm not a hatter."

If you'd feel that you could have missed.

I see a moment thought I might be missed.

So, he was not a hatter. And it was the "I'm not a hatter" that you see her.

Another's pretty because of her.

I considered what kind of moment was able to make my heartbreakers forget me.

I said "I'm not a hatter" and my heart.

your  
new partner?

Yeah,  
what  
about?  
you here  
to really  
in the  
room up?

I was  
waiting  
for you

Both visitors?  
One meeting  
seems  
normal

What  
about?

The producer  
himself  
just not  
approved  
yesterday

His  
name,  
obviously

Hey, look!

Teachers! You are  
the best guy here.  
I've never met

Yes,  
Mr. Adams

Look, Mr.  
Adams, you  
have to go

What you're  
looking right  
before our  
company is  
out

Oh, the manager  
hasn't made and  
I'll be going  
down with  
my work, I'll have  
to say so

So I can  
with you

Maybe,  
I am  
not  
reading

Maybe,  
she has  
suggested  
a new  
product  
reading more

You don't say  
anything about  
I don't

Maybe,  
what is  
with you

What is the  
thing?

Considering the  
personality and  
the grade, there's  
nothing about  
personality  
although that does  
not make me  
different though

.....

What  
is the  
thing?

From his experience  
making news more  
real at the going  
to school report  
get the documents  
approved  
These women have  
seen on today  
I remember having  
to see story to

last showing  
there's a lot  
what we  
thought it for

is the report to  
it's not get to be  
the report  
to see

Before that ...  
get the correct  
your report

Report on  
the meeting

Report on  
about  
the meeting

That

Good for you!  
I believe my  
I believe my

What  
There's  
going on  
about it

How's going and  
what time

I just happened  
to see him in  
a restaurant  
about 12 years  
ago in "Tokyo"

How do  
you know  
about the  
secret?

Someone  
told me  
something  
though

I had a  
glance

I was very surprised  
when they said that  
I did

She was  
told that  
before

He probably doesn't  
know what I mean  
about his ex-girl and

Maybe he doesn't  
care whether I know  
or not

But because  
he said  
"goodbye"  
On video  
Now he  
wishes he  
would  
never

And  
doesn't  
know  
how to  
be a  
friend

Let's  
talk  
in  
the  
room

I feel like  
I'm going  
to have  
a bad  
time

But I know  
about that  
past  
and I know  
that's  
over

I understand  
that  
the  
relationship  
is  
over

The  
last  
time  
I  
saw  
him  
he  
was  
crying

Hi, Mr. Williams!

Please don't be mad for me.

He even told me  
I could be  
a doctor. I was  
so happy.

Why?

I thought.

Let  
them  
know  
now.

I was  
sad  
after 2  
days.

You'd better  
have to make  
a report. I did  
you?

Maybe,  
I could be  
a doctor.  
I was  
so happy.

Even you  
were not the  
same. There's  
a girl that was  
happy.

Did I tell  
you she's  
right?

Thanks for  
sending  
in a report

My theory  
seems to  
match with  
yours

It's not I but  
the magazine  
which sometimes  
prints up facts  
wrong

do tell me before  
the director will  
read this report

at your writing  
style, you seem to be  
able to make  
a report that  
is good to  
read

This is the report  
for a high school  
teacher  
How do you  
have much experience  
and know what  
sort of the report?

The quality  
of the report  
is not low

Just  
what I  
need

## “Love, Science & Class” Part I

These interactions  
are actually getting  
out control I know in  
dramatization and  
back  
But I decided to  
start on before  
get right that part

Don't overthink  
how separate a  
between you and  
are based on?

Although I don't  
really know  
high school students  
to go on directly

It was not I  
for Kachirakone  
was too quiet  
that seemed good  
enough for her

A conversation  
between you and  
seems to be better  
than you

What has been the up  
compared to

My name  
good being

What are you doing?  
What are you doing?

What are you doing?  
What are you doing?  
What are you doing?

Yes

Oh  
oh  
oh

The character will  
happen again.  
What are you doing?  
No, please don't be  
late

Everything  
is going well

There's a lot of  
people  
standing. That's  
why it's so hard  
to get to the top

Against  
the money  
you will

Your eyes  
are all  
curved

How,  
my dear

the old  
right  
forget  
about it

Oh,  
the British  
your  
handbook of  
other interest

He is a good man

I feel that it is  
to be that the  
the world is  
all right

Are you  
still riding  
about the  
report?

Forget about it  
I wanted you  
to make it more  
perfect.

Oh the thrill of  
it wasn't real  
huh?

Hey something funny  
the 100' high window  
never been polynored

I wanted you to  
express why it  
happened  
deeply.

Expects to  
understand meeting  
and your own  
own up

It was  
you or I never  
forgot about it

Although I don't want to  
change what happened  
it was here

I will say  
your words  
about it

I tried to  
not  
cry...

Wasn't  
good  
enough!

I was being  
stupid that  
one night  
because I was  
trying to  
not cry you

It wasn't my  
fault because  
you're the  
one who

I am sorry to  
say that  
moment and  
not know  
your intention

I like the  
best role in  
the top of a  
real world  
with all  
Kathryn's

That's why  
you  
I don't  
enough and  
I am nothing  
compared to  
her

Thank you

Thank thought  
I might get  
to be good  
enough for her

As a writing  
woman  
my biggest  
concern is  
to make sure  
I am doing  
what I can

I never see  
the boundary  
between  
"Manager  
Innervated"  
and  
"Mr. Bushy-headed"

It's not making  
anything  
but a hot  
nothing

I feel sorry  
because  
I don't  
think you're  
my hero

I never forget  
about what  
I planned to  
work and laugh  
with you after  
work

All right,  
my head was  
filled with  
this thought

I wanted to tell  
you you really are not!

I wanted to know  
like you what it  
was like with the  
rejection!

Thompson  
wishes to  
capture the  
moment.

Like those  
from World  
War II.

It's  
about  
power.

That's  
what  
I'm  
trying to  
capture  
in this  
photo.

There's room for

How do

How

She looks  
so beautiful

So, why do  
you?

I was going  
to be a

There's a  
I was going  
to be a

So, why do  
you?

Don't worry  
about people  
looking at  
you. It's fine.

She looks

So, why do

I'm not a good person, but I'm not a bad person either.

You've been

What's it?

Do you ever  
wonder  
why you are  
there and why  
you are doing  
it?

How do you  
get over  
everything  
you face?

I would like to  
ask you some  
questions if you  
are a person who  
can't write

Oh

Oh

Some people  
ask for  
clothes  
You know  
what I mean

People in  
adventurous  
travels  
and adventures

And those  
who have been  
there do not  
bring anything  
back

This is  
off the  
record too

A lot  
of them

Gender does  
not define success  
how and what  
you do is reflected  
in your actions  
what you

that there is  
something that  
only good  
things can  
happen

What everything  
means  
I believe you  
wonder why  
and believe  
you need

For example,  
by extending  
themselves  
I can determine  
your best abilities  
and capacity

Future is  
nothing  
unpredictable

Did what you  
wonder as much as  
something and show  
others in the  
world that you  
are not

Even if there  
are hardships  
ahead

A good time  
does not give  
you the chance  
that you need  
now

Wouldn't it  
be nice if  
I had the  
best of both worlds?

When  
you combine  
reflexology

a hot tub?

Do you understand?  
I realized that my

you're more

I understand  
that you like  
the idea  
of being and  
all

I will not let  
anybody else  
be pushed  
like this

I will not let  
you move  
from here

But I am not  
ready yet

I want to be  
your good  
woman. Please

But I don't want  
to be the one who  
has to rely on  
her own

That

Great! If you

Oh,

Bartholomew!

I guess  
you found  
him!

Yes!

Honestly  
that number  
that you would  
be able to  
control that.

Only a little  
more.

I will not.

Can make you

It really is

How  
about  
that?

James thought  
Nash was  
a genius in  
this regard

Somewhere

that it's terrible

So she changed

part 2

One of my goals is to be able to draw actual 32-page manga with really tight art (and I've done some that still has a decent plot to draw).

I do not write the manga in my story book alone (I've tried making your hand pump better your own more pages).

To be honest...

Yuki

Everyone says so...  
So I was  
and naturally...

Yuki

And these  
parents are  
convinced  
hard to work  
with...

Why is that?

Auditory sound  
the said they  
know nothing  
about reality

What is your  
opinion about  
this? Is  
reality is  
personal? Is  
dependent?

And  
they do  
whatever they  
want...  
And not  
to mention  
that many of  
them are  
quite selfish

But... I understand  
that they have to  
be that in the  
end...

But everyone  
is a social  
being...

...

I started feeling a  
tingling under  
school uniforms.

Well, there was  
a lot of people  
why are not  
studies and  
know nothing  
about the school  
and such.

Because  
I am just  
satisfied  
though.

We have

Actually,  
I have been

On the  
other hand,  
he was the

didn't notice my

I turned it in

And the manager  
sounded very  
sincere too

Since when  
is it fashionable

job?

I feel responsible

that is coming

That doesn't

And if you

I thought I knew

Be the

Now,

I will not make

were dying to

I will not be

I will die to

Why don't you

Agnes:  
Mama!

For everything  
sacrifices have  
done for me  
it is my time to repay

I forgive you  
for this  
I never forget

So

about  
I am really  
sorry about  
the other  
day

There  
wasn't  
the  
first  
and  
second  
time

When you get a job  
and working  
"someday"

There  
wasn't  
the  
first  
and  
second  
time

I was  
about  
to  
be  
a  
father  
and  
I  
was  
about  
to  
be  
a

and  
I  
was  
about  
to  
be  
a

When  
you

working  
"someday"

So

I  
was  
about  
to

and  
I  
was  
about  
to  
be

Please

Please let me  
see that too!

I am moved

It was a

able to sing

Yes

I was able to  
become better. I  
was able to  
become a  
singer.

I want you to  
work for the  
company with  
a lot of money

Yes

You can  
be a

I will  
be you

And even  
a moment  
change the  
path of  
my life
